Dear Joshua:

Thanks for the invitation to stay at your place when I visit Madison in January. I'll let you know in advance about the actual dates. I look forward very much to a chance to chat with you and Esther.

The present plan is for me to move this lab to the National Institutes of Health at the end of this fiscal year. Meanwhile it has become very possible that I may stay on in New York in an academic position; I hope this business will be settled within a few weeks.

With best regards,

Sincerely,

Bernard D. Davis
